Half Day Local Island Hopping

This adventure will help you to have more insights of real Maldivian Way of Life, a chance to take a glance with the Mosque and school. See how Maldivian people live and experience their community. There is some souvenir shopping available as a present for your family and friends.

Sunset Fishing

Fishing is the lifeline of Maldives, for centuries it has been the livelihood of people, during your trip you will enjoy the glorious spectrum of sunset while discovering the traditional way of fishing by using lines and tuna as bait, on board on our authentic Maldivian Dhoni

Snorkeling Adventure

Join the Snorkeling adventure which will take you to the best reefs around North Ari Atoll where you can explore the wonders of the underwater world. Snorkel and enjoy some breathtaking reefs and fish life. You may get lucky and see turtles and stingrays. All will be under the watchful eye of our experienced guides.

Sunset + Lucky Dolphin Cruise

In Maldives, there are hundreds of dolphins around the islands. The best time to spot those dolphins is before sunset by passing through the channels and if you are Lucky you can see the real fun show of the dolphin. This is a wonderful way to conclude your day and prepare for the evening Ahead. There is 50/50 chance in seeing Dolphins.

Manta Point Snorkeling

Manta Rays are spotted mostly on the northern side of the North Ari Atoll, nursing in bays and bottomless lagoons off neighboring islands. These amazing creatures are fascinated by the mass pool of plankton; each year an enormous school of Manta rays visit the warm waters around North Ari Atoll. Snorkeling with Manta Rays can be defined as a dance underwater, as some of most graceful creatures slide around near you in the water, winding and rotating with the tides, offering an unforgettable enthralling sight. Each year, Manta Ray snorkeling reaches the topmost pleasing trip for our guests
